## HEALTH AND ILLNESS INFORMATION

All Camp staff will have CPR/First Aid certification. Should your child not feel well during camp, every effort will be made to care for them at camp. However, should their illness be better cared for at home you will be asked to make arrangements for them to be picked up. We ask that you do not send your child to camp if they are not feeling well that morning. Concord Recreation makes a strong effort to prevent the spread of illness by the following procedures:

1. A strict hand washing policy for children and adults
2. Coughing and sneezing toward the floor or into one's arm (and teaching this to the children) -washing hands after coughing or sneezing.
3. Keeping the facility clean and disinfected.

We realize, however, that illness is an unavoidable part of life, especially with young children in a group setting. When necessary, we may need to exclude a child from the program due to illness, when he/she presents a health risk to other children and staff. If a child is contagious, or not feeling well enough to participate in group activities, he/she must remain at home. When a child becomes ill at camp, we will do our best to reach you while keeping your child as comfortable as possible. This may mean separating him/her from the group. A rest area will be provided and the camp nurse or a staff person will remain with the child at all times. The child will be provided with quiet activities while waiting for his/her parents. We realize that it is difficult for working parents to leave work for a sick child, but we take your child's best interests into consideration when calling you. You may wish to develop a plan for caring for a sick child prior to needing it. The following are some common illness encountered in camp and our policies concerning attendance with them:

**Coughs/Colds:** Children with colds and coughs may attend camp as long as they feel well enough to follow daily routines (especially outdoor play). If a fever accompanies cold symptoms, the child must stay at home.

**Fever:** A child with a fever over 100 degrees should remain at home until the fever has been absent for 24 hours.

**Strep:** A child with a sore throat and a fever together should have a throat culture. The child should remain at home until he/she receives a negative culture, or has been on antibiotics for 24 hours.

**Ear Infections:** A child may attend camp as long as he/she is not experiencing great discomfort or fever. A note must be provided as to whether or not swimming lessons are allowed.

**Rash:** Please notify your child's counselor if your child has an existing rash when he/she comes to camp. The nurse will call

the parents if a rash appears suddenly, spreads quickly, or is accompanied by other symptoms.

**Vomiting:** A vomiting child must remain at home for 24 hours or until he/she can tolerate a normal diet.

**Diarrhea:** A child with diarrhea must remain at home until free of diarrhea for 24 hours.

**Chicken Pox:** A child must remain at home one week after the rash appears or until all of the blisters have crusted over and dried. A note from the doctor will be required regarding the status of swimming for your child.

**Impetigo:** A child must stay at home until he/she has been on medication for 24 hours.

**Conjunctivitis:** A child with conjunctivitis may return to the program the day after treatment has begun. If your health care provider chooses not to prescribe medication, you must bring a note from him/her stating that your child does not present a health threat to others. Note from the doctor will be required regarding the status of swimming for your child.

**Head Lice:** If your child has head lice they may not come to camp. The policy is that campers must be lice and nit free in order to be at camp. If lice or nits have been found in your child's head while at camp, as with any contagious disease, they will be isolated and sent home immediately. A child may return to the program after treatment and removal of nits. Upon return, campers must first be inspected by the camp nurse. The nurse will determine if they can return to camp.

## CALLING OUT SICK

If your camper will be staying home due to an illness, please call the Hunt Recreation front desk to let the Camp Director's know.

### **EARLY DROP OFF & EXTENDED DAY PROGRAM**

Early drop off/extended day is available for Camp Three Rivers participants, only. Early drop off is available from 7:30-9:00AM and extended day is from 4:00-6:00PM. Campers that are enrolled in Concord River Camp will be walked over to the Alcott School at 9:00AM\*\**Please note that inclusion aides will NOT be present at early drop or extended day.*

### **FIELD TRIPS**

Parents will be notified of field trips prior to the trip. On an all camp field trips, if you do not wish your child to participate in the trip, notify a Camp Director. If your child does not wish to attend, please make other arrangements as their will not be supervision for them at the Recreation Center. Parents may be required to sign permission slips for certain trips. If this is the case, these document will be sent home at the start of the camp week.

**Each child will be given a camp shirt and they MUST wear their camp shirt on field trips.** Staff will always wear staff shirts so your child can quickly identify which adults are with Concord Recreation. Additionally, all staff will be equipped with a two-way radio to communicate while off site.

Camp Directors will attend all of the field trips along with the Inclusion Aides, camp nurse, program specialists, and sometimes, lifeguards. Parents are not allowed to drop campers off or pick campers up at field trip sights without prior written permission.

### **SAMPLE FIELD TRIP SCHEDULE**

### WHAT TO WEAR

Our program philosophy supports active (and often messy) play. For this reason, we request that your child wear comfortable **play clothes to camp that you won't mind getting a little dirty**. Concord Recreation is not responsible for clothing that is lost, damaged, or stained.

### FOOTWEAR

Campers will be participating in a variety of activities including sports, art, and more. Please assure that your child comes with a heel strapped, toe-covered shoe. Examples of preferred shoes include sneakers or crocks. Please do not send your camp with flip flops.

### BATHING SUITS

If your child has an early swim lesson, we highly recommend sending your child to camp with their bathing suit on under their clothing. Children will also need a towel. **Both the towel and swimsuit should have their name clearly written on the tags in case they get misplaced.** *Helpful Hint: Send your child with a plastic bag for their wet suite and towel after swimming!*

### SUNSCREEN

Lather your child up with sunscreen before the start of the camp day. If necessary, your child can ask their counselor to reapply sunscreen that is brought in from home. Please put sunscreen in a small plastic bag labeled with your child's name. Hats are also a good idea to keep kids safe from the hot sun. Sunscreen will be made available to campers who do not come with their own.

### SPENDING MONEY

There are no vending machines available to campers at any camp site. On field trip days, spending money is optional. Gift shops, snack shacks, and ice cream stands are sometimes part of the fun of our trips and groups will usually make time for them. Bringing large amounts of spending money is discouraged.

### SNACK

Please send your child with his or her own snack and plenty of water. Snack is not provided at Camp Three Rivers due to the high number of allergies.

### LUNCH

Be sure to pack a good size lunch, the children's appetites do

seem to increase with the day's activities. Lunches will be stored in large bins (assigned to each group) until it is time to eat. Camp Three Rivers does not provide lunch for campers and we do not allow campers to share food due to allergies. A sturdy lunch bag or box is best so lunches won't get crushed (although bagged lunches are best for field trip days).

### FOOD ALLERGIES

Camp Three Rivers *does* allow peanut and nut products to come in lunches to camp. Any camper that has an allergy to a nut (or any other food) will sit at an "allergy free table" to assure safety.

### WATER BOTTLES

Please include extra drinks (water or sports drinks) to prevent dehydration. *Please do not send your child with soda or excessive amounts of juice as it is a dehydrator.* We recommend bringing a labeled water bottle that can be refilled in one of our many "hydration stations" during the day. *Helpful Hint: Freeze drinks the night before and they will remain cold for most of the day.*

### LOST AND FOUND

Our Lost and Found will be located by the sign in station during camp hours and in the Recreation office after hours. You can't miss the heaping pile of clothes! Please do not send your child with any valuables—children will be moving from activity to activity which will increase the likelihood of belongings getting lost (especially on field trip days). Once again, please label everything!

### TOILETING PROCEDURES

All children will be accompanied to the bathroom by a Camp Three Rivers staff person. If a child has a toileting accident, they will not be punished or humiliated. Each child is treated with kindness and respect and is given assistance in changing his/her soiled clothing. Soiled clothing is doubled bagged in plastic bags and sent home to be washed.

**CAMP THREE RIVERS INCLUSION PROGRAM**

Concord Recreation and the Three Rivers Summer Inclusion Program welcomes children of all abilities to come join in on the fun! The Inclusion Program, a program running in collaboration with Camp Three Rivers, strives to provide participants of all abilities with a well-equipped environment in which behavioral support, activity adaptations and friendship facilitation are the main objectives.

A Certified Therapeutic Recreation Specialist as well as two friendship facilitators will be available at camp to work with your child and support his/her needs. In addition, all children have access to: Visual schedules, positive behavioral supports, indoor cool down room, sensory toys, summer success plans, activity adaptations, floating inclusion aides, staff trained in inclusion, and a pre-camp open house.

**Participants must have an IEP to qualify for the inclusion program.** Please register for one of the available spots (activity number is different) per week and the Recreation Department will place your child in the correct camp once you have met with the Inclusion Director. At that point, your household will be billed the correct camp fee.

**Want the Inclusion Director to talk with your child's teacher/IEP team?**

Please ask your child's team to call Anna Wood, Assistant Director/Inclusion Director, CTRS, at 978-287-1057. She will be happy to set up a meeting to talk with them about your child, with your permission.

**REQUIRED PRE-CAMP INCLUSION MEETING**

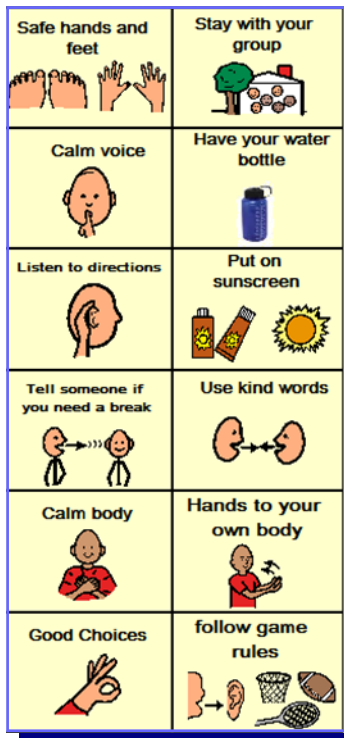

If you have registered for the inclusion program, we ask that you schedule a pre-camp meeting with the Inclusion Director prior to the start of camp. To schedule this meeting, please call or email Anna Wood at 978-287-1057 or [awood@concordma.gov](mailto:awood@concordma.gov).

**THIS MEETING WILL REVIEW THE FOLLOWING:**

- Review Daily Schedules
- Review Odds and Ends, Participant Info Form, etc. as found in your inclusion packet
- Review of medications and medical policies
- Review your child's IEP or 504 plan
- Review recreation and school goals
- Review pool policies and Information
- Review Field Trip Information
- Review Open House details

**PLEASE BRING THE FOLLOWING ITEMS TO YOUR MEETING:**
